

(kulthi) can be supplied at Bangalore and Mysore, respectively, throughout the year. The supply of kulthi to A Division of the Transport Corps and harness horses should be made at the Old Sowar Lines at Bangalore, and for the other four Divisions of the Corps near Muni-reddipalyam, and the gram for the horses at Mysore should be supplied at the Government House Stables.

2. Every tender should be accompanied by currency notes for Rs. 500 which will be forfeited to Government, if the tenderer whose tender is accepted, fails to execute the arrangement for the due fulfilment of the contract or to make the deposit as specified in para 3. If the tender is not accepted, the amount will be refunded.

3. The successful tenderer will be required to execute an agreement for the fulfilment of the contract, and to deposit Rs. 2,000 for Bangalore and Mysore or Rs. 1,500 for Bangalore alone and Rs. 500 for Mysore alone. The execution of the agreement and the production of the deposit amount shall be completed within fifteen days from the date of the declaration of the acceptance of any tender.

4. The contractor at any station will, if necessary, be required to supply the grain at the contract rate for the horses, ponies and mules of the Corps and Stables leaving that station for manœuvres or other duty, in sufficient quantity to last until their return to headquarters.

5. The contractor will supply the quantities of kulthi within one month from the date of taking contract or indented for daily as detailed above at option of Officer Commanding Corps at Bangalore and Mysore and obtain receipts on indents from the Commandant of the Imperial Service Transport Corps and Superintendent, Government Stables, respectively.

6. In the case of daily supply the contractor will present bills once a month for supplies made by him during the month to the Commandant and Superintendent, Government Stables, who will check and submit them to the Military Secretary for payment.

7. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and the deposit credited to Government.

8. The Military Secretary reserves to himself the right of accepting or rejecting any tender without assigning any reason therefor.

9. The probable quantity of grain required at Bangalore is as below:—

For Transport ponies and harness horses, 1,120 seers gram; and at Mysore—
Gram 100 seers per day.

Note.—The above rate of proportion may be altered and it is understood that should any necessity arise for feeding the animals of any Corps on full ration of any one of the two grains named, the contractors will be prepared to supply the required quantity of the grain.

It is further noted that as Government are contemplating the substitution of bullocks for ponies, the Transport Corps is in no way bound to take the full quantity above noted. These amounts are merely probable requirements.
